St Lawrence House is situated on the B4318 on the outskirts of Tenby. Please be aware that all the houses in the hamlet have the same post code, and SatNav will direct you (unhelpfully!) to the lane opposite us - an access road for the farm and farm buildings. If you are able to, search for directions to Gumfreston Church – which will match, and tell you to look for and subsequently turn in towards, the directions described below!

From the East: Follow the M4 to J49 (Pont Abraham services), take A48 to Carmarthen, and then the A40 (signposted Fishguard and St. Clears), followed by the A477 signposted to Tenby, Pembroke and Pembroke Dock. The easiest approach is to remain on the A477 (**ignoring the first turning to Tenby**) following the signs for Pembroke and Pembroke Dock, through one set of traffic lights, and continuing on until the next roundabout at Carew airfield near Sageston. Then take the first exit left onto the B4318 signposted Tenby. [If following directions to the Church, you may after the traffic lights be directed via a turning right to Redberth – this is good but is a narrow road so negotiate with care!]

Please note: The bypass between St Clears and Llanteg on the A477 is not always recognised by older SatNav systems. Please stay on the main road irrespective of any other commands!

From the West: Follow the A477 to the roundabout at Carew airfield near Sageston. Then take the third exit onto the B4318 signposted Tenby.

Once on the B4318, continue for 3.5 miles and you will see the Gumfreston sign on the left hand side of the road. Directly after this, in the dip and to the right, are two signs: 'St Lawrence Country Guest House', and 'Gumfreston Church and Holy Wells'. Turn right here and then immediately right again and go through the gates.

From Tenby: Follow the one-way system out of town down to the mini-roundabouts (Five Ways). Take the first left onto the Marsh Road. Continue for ½ mile and turn right just after the leisure centre onto Clicketts Lane for the B4318, signposted St Florence and Sageston. If you have come out along the Narberth Road, at the mini roundabout turn left and then turn right onto Serpentine Road. At the end, turn right onto Heywood Lane. At the next T-junction (after narrow single lane traffic at the rugby club entrance) turn right onto the B4318. Go up the hill and into Gumfreston, slowing down as you pass Woodlands Lodge Nursing Home (the first turning on your left). The two signs for 'St Lawrence Country Guest House' and 'Gumfreston Church and Holy Wells' are then immediately on the left by the second turning left – take this turning towards the Church and then turn immediately right through the gates.

After turning through our gates, continue straight along the drive (do not bear left) towards the front of the house where you will find ample parking spaces.

Another suggestion is to look at Google Maps and enter the name "Gumfreston Church". It will show you exactly where we are!

We look forward to welcoming you to our home.
